

AMONG THE EXCHANGES OF THE INLAND EMPIRE

La Grande Tax 13 Mills.

The city council met last evening and transacted some very important business, among which was the levy of a 13-mill tax for 1905 and the granting of a 30-year franchise to the La Grande Storage and Water company, (generally known as the Morgan Lake Co.) to operate and maintain an electric light plant.

An ordinance was also passed establishing a base for which all streets in the city should be graded, the point selected was the monument established by the United States geological surveyors on the southwest corner of the Foley House, which shows the altitude above sea level to be 2782 feet.—La Grande Observer.

Nampa Papers Consolidated.

C. T. Harte, editor of the Nampa Herald, has disposed of his interest in this paper and will retire from business. C. W. Hill, partner of Mr. Harte, and business manager of the Herald, has purchased an interest in the paper and the two papers will be consolidated under the name of the Nampa Leader-Herald. The paper will be enlarged shortly and greatly improved. Mr. Hill will be business manager and solicitor. The combined circulation of the two papers will make the Leader-Herald a most valuable advertising medium.—Nampa Herald.

Baker City Hotel Sold.

An important business transaction was closed yesterday by which the Columbia Hotel saloon and Columbia Hotel business was transferred by C. A. Soller to W. B. McCarty, the popular saloon man of Bourne. Mr. McCarty also leased the building and fixtures for a term of years. Although the price was not stated it was understood that Mr. McCarty paid about \$4000 for the business.—Baker City Democrat.

New N. P. Bridge.

Carl Boynton, in charge of the construction of the Idaho division of the Northern Pacific, is now engaged with a crew of men in rebuilding the

bridge across Lapwai creek at North Lapwai. The structure will be of the most substantial character and will be completed in about three weeks. The North Lapwai bridge was entirely destroyed several months ago by a runaway train on the Clearwater branch and a temporary structure was erected over which trains have since been passing.—Lewiston Tribune.

No Needy in Grant County.

A number of visitors from almost every section of the country have been in town during the present week. They report fine weather, good range, fat stock, and prosperity in general. It seems almost phenomenal, but is nevertheless true, that there is not within the entire county a single destitute family needing necessities. In so far as it is known, there is not an individual in such need. It is doubtful if there is another section of the nation, where there are so few either of the "ungodly rich" or envious poor. Such a community would do well to lay by something for posterity.—John Day News.

County Division Movement.

If a move is to be made to cut off the west end of Wasco county, with Hood River as the county seat of the new territory, it is time we got busy. With a petition to come before the legislature to cut off the Blackman section of the county, and which will have no opposition, it will be no easy matter for Hood River to take another slice off old Wasco, but with hard work, if taken in time, we believe it can be done.—Hood River Glacier.

Wright Jugged the Line.

Hon. Dunham Wright of Medical Springs is in town for a few days. Mr. Wright is probably the only man in the state who caused a jog in the county's boundary line, but when the panhandle was annexed to Baker county the line was drawn in order to have his home and property in the county where he had lived for a quarter of a century.—Baker City Herald.
